

Snohomish Wedding Tour

Social Media Toolkit

Dear Snohomish Guild Member,

Thank you for your participation in this year's guild wedding tour. This event would not happen without your continued support and we are thankful for you! Part of the success of this event is the amount of brides we reach. This year we are asking for your help in promoting the tour through the use of social media. In the following pages, you will find all of the tools to make this as easy a process as possible.

As most of you know, Social Media is the outlet to which our clients are turning for testimonials, and news and events.

With the tour fast approaching. Please use the enclosed materials to help peak interest and promote the tour. This also helps you promote your own brand simultaneously.

These documents were created for the Snohomish Wedding Guild by the Marketing Committee. If you have any questions about the material, please contact Laura Marchbanks of Laura Marchbanks Photography, 425-512-2406.

Again, thank you for your help in taking this great event viral!

Warmly,

Your Marketing Committee.

PS. Attached you will also find a few graphics to use in your email signature and on facebook and your blog. We hope you'll utilize them!
